Dear Doug:

Thank you for your response to participate in the Congressional District 1 Debate at the 46<sup>th</sup> annual Dorchester Conference.

The Dorchester Debate Committee worked very hard to ensure that the debate was situated so that the conference delegates will gain the best educational and entertainment opportunity from the event.

Although we do not have a rigid set of guidelines or an application form, we took into account what we thought constituted a candidate's viability to be elected in Congressional District 1. Our committee determined that your response did not indicate viability based on your lack of campaign structure, active volunteers and fundraising. We chose Rob Cornilles and John Kuzmanich to participate in the Saturday debate. Stephan Brodhead removed himself from consideration to participate.

We look forward to your attendance at the conference. We wish you and your campaign the best in the May primary.

Please let me know if you have any questions: [tbernasek@dunncarney.com](mailto:tbernasek@dunncarney.com)
